MORE ON YOUR WISH LIST?

Host your own Pottery Demonstration Party and get more for free...

At my studio: You provide the guest list and simple refreshments. At my home studio, we will all share the experience of feeling the clay and seeing it transformed as I demonstrate the entire process from start to finish, showing pieces at each stage of production.

OR

At your home: Invite your guests and prepare a simple snack. Your party will still see the entire process in a "virtual" DVD demonstration the same as my studio presentation. I will explain each step we are watching and bring pieces to touch from raw clay to finished dinnerware.

Either way, you earn credit toward your own custom made pottery.

THE FINE PRINT

Variations in Handcrafted work: Because every piece is individually hand thrown and decorated, variations in size, shape, color and decoration, even among sets, should be an expected and valued mark of authenticity.

Delivery Time: While some items may be in stock and ready to ship, it is likely that your pieces will be made to order so shipping times will vary. Once all the items are made, I will usually ship within a week. Generally items that are made to order take 6-8 weeks in production, though seasonal fluctuations can add many more weeks. Please let me know if you are working with a particular date and I will do my best to accommodate your request.

Satisfaction Guaranteed: I want you to be happy with your pottery. If you are not satisfied, let me know and you can return the unused item within 30 days for a refund or replacement.

Your Privacy: I never give, trade, or sell any information from my customer list to anyone.
